THE PUBLIC SERVICE COMMISSION
OF SOUTH CAROLINA
DOCKET NO. 2018-102-S

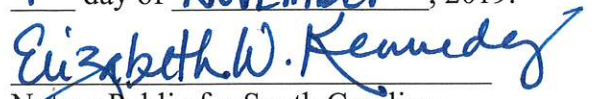

IN RE: Application of Kiawah River Utility Company
for Approval of Sewer Rates, Terms, and Conditions

VERIFICATION OF KEVIN D. O'NEILL

I, Kevin D. O'Neill, hereby swear and affirm that my Prefiled Direct Testimony filed in this proceeding is true and accurate subject to one minor correction based on what I learned after it was filed. On page 5, lines 7-11, I stated: "As a result DHEC has approved the use of an alternative method that involves the temporary storage of the wastewater in an existing lagoon where it can be pumped and disposed of properly off site until there is enough daily flow to commence operation of the plant." I hereby correct this testimony to: "As a result, DHEC has approved the use of an alternative method that allows us to store the wastewater in the aerated lagoon and pump the stored wastewater through the plant after the membranes are installed."
